"Agent" in relation to an applicant or a holder of plant breeder's right, means a person who is duly authorized by the applicant or holder to act on behalf of the applicant or holder;

"Appeals Board" means the Appeals Board established under Section 44 of this Act.

"Applicant" means the breeder entitled to file an application for the grant of a breeder's right in accordance with the definition of "breeder" provided for in this Act;

"Breeder" means:-

(a) the person who bred or discovered and developed a variety;

- (b) the person who is the employer of the person who bred or discovered and developed a variety or who has commissioned the employer's work; or
- (c) the successor in title of a person mentioned in paragraph (a) or (b) as the case may be;

"Breeder's right" means the right of the breeder provided for under this Act;

"Committee" means a Plant Breeder's Rights Advisory Committee established under Section 9 of this Act;

"Certificate" means a certificate which approve the description of the register as prescribed under Section 7 of this Act;

"Gazette" means Zanzibar Government Gazette;

"Fund" means the Fund established under Section 47 of this Act;

"legal representative" means:-

- (a) a liquidator or receiver of a company;
- (b) administrator of the estate of the deceased;
- (c) a representative of any person who:-
 - (i) has become insolvent or bankrupt;
 - (ii) has assigned his estate;
 - (iii) is an infant or minor;
 - (iv) is of unsound mind; or
 - (v) is otherwise under any disability.

"Minister" means the Minister responsible for agriculture;

"Ministry" means the Ministry responsible for agriculture;

"Register" means the Register of plant breeders' rights kept in terms of Section 6 of this Act;

"Registrar" means the Registrar of Plant Breeders' Rights appointed in accordance with Section 4 of this Act;

"Reproductive material" means a plant or part of the plant used to multiply the plant;

"sell" means to offer, advertise, keep, expose, transmit, convey, deliver or prepare for sale or exchange or dispose off for any consideration or transmit or convey or deliver in pursuance of the sale;

"variety" means a plant grouping within a single botanical taxon of the lowest known rank, which grouping, irrespective of whether the conditions for the grant of a breeder's right are fully met, can be:-

- (a) defined by the expression of the characteristics resulting from a given genotype or combination of genotypes;
- (b) distinguished from any other plant grouping by the expression of at least one of the said characteristics; and
- (c) considered as a unit with regard to its suitability for being propagated unchanged.

PART II PLANT BREEDERS' RIGHTS OFFICE

Establishment
of the Office.

3. There is hereby established within the Ministry responsible for agriculture, an Office to be known as the Plant Breeders Rights Office.

Appointment of
Registrar.

4.-(1) The Minister shall, by notice published in the Gazette, appoint a person or an officer who has relevant qualification and experience to perform the functions conferred to or imposed on the Registrar of Plant Breeders' Rights under this Act.

(2) The Minister may appoint Deputy Registrars and other officers with relevant qualification and experience who shall perform some of the powers and privileges conferred to the Registrar pursuant to this Act.

(3) For the purpose of this section, relevant qualification shall include atleast First Degree from any recognized institution in the field of agricultural science, law or related field with a minimum experience of five years in the said field.

Functions of
Registrar

5. The functions of the Registrar shall be:-

- (a) to grant breeder's rights;
- (b) to maintain a register and provide information on plant breeders' rights issued in Zanzibar;
- (c) to facilitate transfer and licensing of plant breeder's rights;
- (d) to collaborate with local and international bodies whose functions relate to plant breeders' rights matters; and

- (e) to perform any other functions as are necessary for the furtherance of the objects of this Act.

Register of
plant breeder's
rights

6.-(1) The Registrar shall maintain an official plant breeder's rights register in which all information required to be registered under this Act shall be entered.

(2) The information to be listed in the Register for each registered variety, shall include-

- (a) species and denomination of a variety;
- (b) the full name and address of:-
 - (i) the applicant or holder of the breeder's right;
 - (ii) the person who bred or discovered and developed the variety, in case such person is different from the applicant or holder of the breeder's right;
- (c) the date and time of inception of the breeder's right;
- (d) all other matters which:-
 - (i) are required by this Act or any other written law to be entered in the Register;
 - (ii) otherwise, affect the validity or ownership of breeder's right; and
- (e) any other information, which may be required by Regulations made under this Act.

(3) The Register shall be prima facie evidence of any matter entered therein.

Oral and written
evidence

7.-(1) A certificate purporting to be signed by the Registrar certifying that any entry under this Act, has or has not been made or that any other requirement has not been fulfilled shall be prima facie evidence of the matter so certified.

(2) A copy of:-

- (a) an entry in the Register or of any document lodged in terms of this Act; or
- (b) an extract from the Register or from any document lodged in terms of this Act, which purports to be certified by the Registrar;

shall be admitted as evidence.

Inspection of
Register.

8.-(1) The Register shall be open for inspection by any member of the public at all convenient times during business hours.

(2) A certified copy of any entry in the Register shall be given upon request and payment of the prescribed fee.

Plant Breeders'
Rights Advisory
Committee.

9.-(1) There is hereby established a committee to be known as the Plant Breeders' Rights Advisory Committee.

(2) The members of the Committee shall be appointed by the Minister in consultation with relevant authorities atleast three among them should be female and they are:-

- (a) one senior officer with qualification of agricultural science from the Ministry, who shall be the Chairperson to the Committee;
- (b) one representative from a registered plant breeders association;
- (c) one representative from registered seed trade association;
- (d) one representative from registered farmers association;
- (e) one representative from an institution teaching plant breeding;
- (f) one representative of an authority responsible for registration of intellectual property rights;
- (g) A Legal Officer from the Ministry;
- (h) One representative from the institute responsible for agricultural research; and
- (i) the Registrar of Plant Breeders' Rights in Tanzania Mainland.

(3) The Registrar shall be the Secretary of the Committee.

Functions of
the Committee.

10. The functions of the Committee shall be:-

- (a) to advise the Minister on efficient enforcement of this Act;
- (b) to receive reports of plant breeders' rights applications from the Registrar;
- (c) to make expert consideration on the plant breeders' rights reports and on the Registrar's tests results; and
- (d) to manage the operations of the Fund.

Meeting and
Procedure of
the Committee.

11.-(1) The meetings of the Committee shall be convened by the Secretary of the Committee, in consultation with the Chairperson, once in every quarter of a year.

(2) The Chairperson may convene an extra ordinary meeting when deemed necessary.

(3) Subject to subsection (1) of this section, the Secretary shall give at least seven days notice in writing to each of the members of the Committee specifying the time and place appointed for and the business proposed to be transacted at a meeting of the Committee; Provided that the extra ordinary meeting may be convened on not less than twenty-four hours' notice.

(4) Subject to the other provisions of this Section, the Committee may determine the proceeding of its meetings.

(5) To constitute a quorum at a meeting of the Committee, the number of members present shall be more than half.

(6) Each member of the Committee shall have one vote and, in the event of equality of votes, the person presiding shall have a second or casting vote.

(7) No act or proceeding of the Committee shall be invalid or called in question on the ground of any vacancy in the post of any member, or any deficiency in the proceeding of the Committee.

Powers of the Committee.

12. The Committee shall, in fulfilling its functions, have powers-

- (a) to make its own rules of procedure;
- (b) to give advice to the Registrar on specific and genera nature;
- (c) to call applicants and other interested persons for hearing before the approval by the Registrar of a plant breeder's right application.

PART III VARIETIES TO BE PROTECTED

Genera and species to be protected.

13. The protection of varieties under this Act shall apply to all plant genera and species.

Conditions of protection.

14.-(1) The breeder's right shall be granted with respect to variety which is new, distinct, uniform and stable.

(2) The grant of the breeder's right shall not be subject to any further or different conditions, provided that the variety is designated by a denomination in accordance with the provisions of Section 21 of this Act, and the applicant complies with the formalities provided for under this Act and that he pays the required fees.

Novelty.

15.-(1) The variety shall be deemed to be new if, at the date of filing of the application for a breeder's right, propagating or harvested material of the variety has not been sold or otherwise disposed off to any person by or with the consent of the breeder, for purposes of exploitation of the variety:-

- (a) in the territory of the United Republic of Tanzania, earlier than one year before the date of filing the application;
- (b) in a territory other than that of the United Republic of Tanzania:-
 - (i) earlier than four years; or
 - (ii) in the case of trees or of vines, earlier than six years before the said date.

(2) Subject to subsection (1) of this Section, the following acts shall not be considered to result in the loss of novelty:-

- (a) trials of the variety not involving sale or disposal off to others for purposes of exploitation of the variety;
- (b) sale or disposal off to others without the consent of the breeder;
- (c) sale or disposal off to any person that forms part of an agreement for the transfer of rights to the successor in title;
- (d) sale or disposal off to any person that forms part of an agreement under which a person multiplies propagating material of the variety concerned on behalf of the breeder, provided that:-
 - (i) the property in the multiplied material reverts to the breeder,
 - (ii) the multiplied materials is not used for the production of another variety;
- (e) sale or disposal off to any person that forms part of an agreement under which a person undertakes field tests or laboratory trials, or small-scale processing trials with a view of evaluating the variety;
- (f) sale or disposal off to any person that forms part of the fulfillment of a statutory or administrative obligation, concerning biological security or the entry of varieties in an official catalogue of varieties admitted to trade;
- (g) sale or disposal off to any person of harvested material which is a by-product or a surplus product of the creation of the variety or of the activities referred to in paragraphs (e) and (f), provided that the said material is sold or disposed off without variety identification for the purposes of consumption; and

- (h) disposal off to any person due to or in consequence of the fact that the breeder had displayed the variety at an official or officially recognized exhibition.

Distinctness.

16.-(1) A variety shall be deemed distinct where it is clearly distinguishable from any other variety whose existence is a matter of common knowledge at the time of the filing of the application.

(2) For the purposes of subsection (1) of this Section, the filing of an application for the granting of breeder's right or for the entering of another variety in the official register of varieties in any country, shall be deemed to render that other variety a matter of common recognition from the date of the application provided that the application leads to the granting of breeder's right or to the entering of the said other variety in the official register of varieties.

Uniformity.

17. A variety shall be deemed uniform if, subject to the variation that may be expected from the particular features of its propagation, it is sufficiently uniform in its relevant characteristics.

Stability.

18. A variety shall be deemed to be stable, where its relevant characteristics remain unchanged after repeated propagation or in the case of a particular cycle of propagation, at the end of each cycle.

PART IV

APPLICATION FOR PLANT BREEDER'S RIGHTS

Application for breeder's right.

19. A breeder of a new variety may apply for the grant of a breeder's right for that variety.

Contents of an application.

20. The application for breeder's right relating to a variety shall contain the following:-

- (a) the name and address of the applicant;
- (b) where the applicant is the successor in title of the person who bred, or discovered and developed the variety:-
 - (i) proof of title;
 - (ii) or authority in the form and content satisfactory to the Registrar or as may be specified by Regulations establishing the existence and validity of the assignment or succession; and
 - (iii) the name and address of the person who bred, or discovered and developed the variety;
- (c) the proposed denomination, along with the description of the characteristics of the variety as the Registrar may require;

- (d) samples of propagating material in such quantities as the Registrar may require; and
- (e) additional information, documents and material that may be required in connection with the application as may be prescribed in the Regulations.

Variety
denomination.

21.-(1) The variety shall be designated by a denomination which shall be its generic designation and subject to subsection (5) of this Section, no rights in the designation registered as the denomination of the variety shall hamper the free use of the denomination in connection with the variety even after the expiration of the breeder's right.

(2) The denomination:-

- (a) shall enable the variety to be identified;
- (b) shall not mislead or cause confusion concerning the characteristics, value or identity of the variety or the identity of the breeder;
- (c) shall be different from every denomination which designates, in the territory of any member of an international organization dealing with plant breeders' rights matters to which Tanzania is a party, an existing variety of the same plant species or of a closely related species; and
- (d) may not consist solely of figures except where this is an established practice for designating varieties.

(3) The denomination of the variety shall be submitted by the applicant to the Registrar and where the Registrar finds that the denomination does not satisfy the requirements of this section, he shall refuse to register it and require the applicant to propose another denomination within the period to be prescribed in the Regulations.

(4) The denomination shall be registered by the Registrar at the time the breeder's right is granted.

(5) Prior rights of third persons shall not be affected and where, by reason of a prior right, the use of the denomination of a variety is forbidden to a person who, in accordance with the provisions of subsection (9) of this Section, is obliged to use it, the Registrar shall require the applicant to submit another denomination for the variety.

(6) Where the variety is already protected by a member of an international organization dealing with the plant breeders' rights matters to which United Republic of Tanzania is a party or an application for the protection of the same variety is filed by a member of such organisation, the variety denomination which has been proposed or registered by that other member of the organisation shall be submitted by the applicant to the Registrar.

(7) The Registrar shall register the denomination submitted, unless he considers the denomination unsuitable within the territory of the United Republic of Tanzania and in case the denomination is unsuitable, he shall require the applicant to submit another denomination.

(8) The Registrar shall, in writing, inform authorities of the members of an international organization dealing with the plant breeders' rights matters to which United Republic of Tanzania is a party, of matters concerning variety denominations, in particular the submission, registration and cancellation of the denominations.

(9) Any person who, within the territory of the United Republic of Tanzania, offers for sale or markets propagating material of a variety protected within the said territory shall be obliged to use the denomination of that variety, even after the expiration of the breeder's right in that variety, except where, prior rights prevent such use.

(10) When a variety is offered for sale or marketed, it shall be permitted to associate a trademark, trade name or other similar indication with a registered variety denomination and where such an indication is so associated, the denomination shall nevertheless be easily recognizable.

PART V CONSIDERATION AND DISPOSITION OF APPLICATION

Filing date of
application.

22.-(1) The filing date of an application shall be the date, which the application was received by the Registrar.

(2) For the purpose of this section, an application shall be deemed to have been received on the date that the required parts of the application are received in the form sufficient for consideration under this Act.

(3) The Minister shall enter into bilateral agreement with relevant Minister of Tanzania Mainland regulating the following:-

- (a) any application filed with Registrar of Plant Breeders' Right of Tanzania Mainland to be recognized as an application, for the same variety, filed by the Registrar.
- (b) a grant of breeder's right made by the Registrar of Tanzania Mainland to be recognized as the grant made by the Registrar.
- (c) distribution of fees for registration of plant breeder's right.

Right of
priority.

23.-(1) Any breeder who has duly filed an application for the protection of a variety in one of the members of an international organization dealing with plant breeders' rights matters which United Republic of Tanzania is a party, shall enjoy a right of priority for a maximum

period of twelve months; this period shall be computed from the date of filing the first application; the day of filing shall not be included in the latter period.

(2) The applicant shall, in order to benefit from the right of priority, in the subsequent application in the United Republic of Tanzania, claim within twelve months the priority of the first application.

(3) The Registrar may require the applicant to furnish, within a period of not less than three months from the filing date, a copy of the documents which constitute the first application certified to be a true copy by the authority with which that application was filed and samples or other evidence indicating that the variety which is the subject matter of both applications is the same.

(4) The applicant shall, within a period of two years after the expiration of the period of priority or a period of six months where the first application is rejected or withdrawn, be allowed to furnish to the Registrar any necessary information, document or material required in this Act for the purpose of the examination.

Amendment of application.

24.-(1) An applicant may amend his application for the grant of a breeder's right for a variety at any time without affecting its filing date, provided that, the amendment does not affect the variety which is the subject of the application.

(2) Where any amendment of an application occurs after publication of a notice under Section 25 of this Act, the applicant shall be liable to pay the cost of republication.

Publication of notice of application.

25. The Registrar shall, publish in the Gazette, and in a newspaper of vast circulation, a notice of every filed application for breeder's right that satisfies the requirements of the Act specifying:-

- (a) the name and address of the applicant;
- (b) the filing date of the application;
- (c) proposed denomination; and
- (d) such other information as may be specified in the Regulations.

Objection to the proposed grant of breeder's right.

26.-(1) Any person may, within two months of publication of a notice under Section 25 of this Act, lodge with the Registrar a written objection to the matter specified in that notice.

(2) The Minister may, on behalf of the Government, lodge an objection under this Section.

(3) A notice of objection made under subsection (1) shall:-

- (a) specify the ground on which the objection is based;
- (b) include a statement of the facts alleged in support of the grounds stated under paragraph (a); and
- (c) be supported by an affidavit or other proof, if required by the Registrar.

Grounds for
objection.

27. An objection lodged pursuant to Section 26 of this Act shall be based on allegation of one or more of the following grounds:-

- (a) that the applicant is not entitled to file the application;
- (b) that the application contains a material misrepresentation;
- (c) that the contents of the application do not comply with this Act or the Regulations.

Notice to the
applicant and
reply to an
objection.

28.-(1) The Registrar shall notify the applicant of an objection under Section 26 and provide him with a copy of the notice of an objection and all supporting documents that are lodged with the objection within two weeks from the date of filing the objection.

(2) The applicant may respond to the allegation of the objector, in a written reply which shall be lodged to the Registrar and copied to the objector, within one month or such further period as the Registrar may allow from the date of notification made under subsection (1) of this Section.

(3) The Minister may, on behalf of the Government, lodge a reply to any objection lodged against the Government.

Disposition of
applications.

29.-(1) The Registrar shall, upon completion of the notice requirements under Section 25 of this Act and the expiration of all time limits for objections and a reply, examine the application and reply.

(2) Upon any decision to grant a breeder's right which requires an examination for compliance with the conditions specified under this Act, the Registrar may in the course of the examination, grow or cause to be grown the variety or carry out other necessary tests, or take into account the results of growing tests or other trials which have already been carried out.

(3) The Registrar may, for the purposes of examination, require the breeder to furnish all the necessary information, document or material.

(4) The Minister may appoint one or more persons based on their special knowledge to advise the Registrar in the examination of applications.

(5) Where the Registrar concludes that:-

- (a) the application conforms to the requirements of this Act;
- (b) the applicant is entitled to file the application;
- (c) no objection has been filed;
- (d) in respect of objections filed, there are no grounds for objection; and
- (e) the objection filed does not state an impediment to the granting of the breeder's right for the variety;

he shall grant a breeder's right.

(6) For each variety for which breeder's right is granted, the Registrar shall-

- (a) issue a certificate of registration to the applicant;
- (b) enter the variety in the register as provided for under Section 6 of this Act; and
- (c) publish a notice of the grant of breeder's right and the approved denomination in the Gazette.

(7) Subject to a bilateral agreement made under Section 22(3) of this Act, any grant of breeder's right made by the Registrar of Tanzania Mainland shall be recognized as the grant of breeder's right of the same variety made by the Registrar.

PART VI PROVISIONAL AND FINAL PROTECTION

Provisional
protection.

30. The holder of a breeder's right shall be entitled to equitable remuneration from any person who, during the period between the publications of the application under section 25 of this Act for the grant of a breeder's right and the date of grant of that right, has carried out acts which, once the right is granted, require the breeder's authorization as provided for under section 31 of this Act.

Other areas of
Breeder's rights.

31.-(1) Subject to Sections 32 and 33 of this Act, the following acts in respect of the propagating material of the protected variety shall require the authorization of the holder of the breeder's right:-

- (a) production or reproduction (multiplication);
- (b) conditioning for the purpose of propagation;
- (c) offering for sale;
- (d) selling or marketing;
- (e) exporting;
- (f) importing; and
- (g) stocking for any purposes mentioned in paragraphs (a).

(2) The holder of the breeder's right may make his authorization subject to conditions and limitations.

(3) Subject to the provisions of Sections 31 and 32 of this Act, the acts referred to in paragraph (a) to (g) of subsection (1) of this section, in respect of harvested material, including entire plants and parts of plants, obtained through the unauthorized use of propagating material of the protected variety, shall require the authorization of the holder of the breeder's right, unless the holder of the breeder's right has had reasonable opportunity to exercise his right in relation to the said propagating material.

(4) Subject to Sections 31 and 32, the acts referred to in paragraph (a) to (g) of subsection (1) of this section, in respect of products made directly from harvested material of the protected variety falling within the provision of subsection (3) of this section, through the unauthorized use of the said harvested material, shall require the authorization of the breeder, unless the breeder has had reasonable opportunity to exercise his right in relation to the said harvested material.

(5) The provisions of subsections (1),(2),(3) and (4) of this section shall apply to:-

- (a) varieties that are essentially derived from the protected variety where the protected variety is not itself an essentially derived variety;
- (b) varieties which are not clearly distinguishable in accordance with Section 16 of this Act, from the protected variety; and
- (c) varieties whose production requires the repeated use of the protected variety.

(6) For purposes of paragraph (a) of subsection (5) of this Section, a variety shall be deemed to be essentially derived from another variety when-

- (a) it is predominantly derived from the initial variety, or from a variety that is itself predominantly derived from the initial variety, while retaining the expression of the essential characteristics that result from the genotype or combination of genotype of the initial variety;

- (b) it is clearly distinguishable from the initial variety; and
- (c) except for the differences which result from the act of derivation, it conforms to the initial variety in the expression of the essential characteristics that result from the genotype or combination of genotypes of the initial variety.

(7) For the purposes of this section, essentially derived varieties may be obtained through means such as the selection of a natural or induced mutant, or of a somaclonal variant, the selection of a variant, individual from plants of the initial variety, backcrossing, or transformation by genetic engineering.

Exceptions to
the Breeder's
right.

32.-(1) The breeder's right shall not extend to:-

- (a) acts done privately and for non-commercial purposes;
- (b) acts done for experimental purposes;
- (c) acts done for the purpose of breeding other varieties and, except where the provisions of Section 31(5) to (7) apply, acts referred to in Section 31(1) to (4) of this Act, in respect of such other varieties.

(2) For the list of agricultural crops specified by the Minister, which shall not include fruits, ornamentals, vegetables or forests trees, the breeder's right shall not extend to a farmer who, within reasonable limits and subject to the safeguarding of the legitimate interests of the holder of the breeder's right, used for propagating purposes on his own holding, the product of the harvest which he has obtained by planting on his own holding, the protected variety or a variety covered by section 31(5)(a) or (b) of this Act.

(3) The reasonable limits and the means of safeguarding the legitimate interests of the holder of the breeder's right shall be specified in the Regulations.

Exhaustion of
the breeder's
right.

33.-(1) The breeder's right shall not extend to acts concerning any material of the protected variety or of a variety covered by the provisions of Section 31 (5) of this Act, which has been sold or otherwise marketed by the breeder or with his consent in the territory of the United Republic of Tanzania or any material derived from the said material, unless such acts:-

- (a) involve further propagation of the variety in question; or
- (b) involve an export of material of the variety, which enables the propagation of the variety, into a country which does not protect varieties of the plant genus or species to which the variety belongs, except where the exported material is for final consumption purposes.

(2) In this Section "material" means, in relation to a variety:-

- (a) propagating material of any kind;
- (b) harvested material, including entire plants and parts of plants; and
- (c) any product made directly from the harvested material.

Duration of
plant breeder's
right.

34.-(1) Except as set forth in Part VII, the breeder's right granted under this Act shall expire after twenty years from the date of the grant except for trees and vines whose breeder's right shall expire after twenty five years from the date of grant.

(2) The term may be extended for an additional five years, by a written notice to the Registrar given by the holder of the breeder's right six months before the expiration of the original term.

Protection and
damages for
infringement of
breeder's right.

35.-(1) Breeders' rights are protected by both civil and criminal measures stipulated in any written law.

(2) A suit by the holder of breeder's right against any person who infringes the breeder's right may be brought in any court of competent jurisdiction.

(3) The court may in addition to the cost of the action, grant an injunction or damages or both, as it may appear to be reasonable in the circumstances of the case.

Annual fees.

36. The holder of breeder's right shall pay maintenance fee at time and rate as specified in the Regulations.

PART VII NULLITY, CANCELLATION AND SURRENDER OF BREEDER'S RIGHT

Nullity of the
breeder's right.

37.-(1) The Registrar shall declare a breeder's right granted by him null and void when it is established that:-

- (a) the conditions laid down in Sections 15 and 16 of this Act, were not complied with at the time of the grant of the breeder's right;
- (b) where the grant of the breeder's right has been essentially based upon information and documents furnished by the applicant, the conditions laid down in Section 17 or 18 of this Act, were not complied with at the time of the grant of the breeder's right; or
- (c) the breeder's right has been granted to a person who is not entitled to it unless it is transferred to the person who is so entitled.

(2) The breeder's right shall not be declared null and void for reasons other than the reasons referred to in subsection (1).

Cancellation of the breeder's right.

38.-(1) The Registrar may cancel a breeder's right granted by him where he has established that the conditions laid down in Section 17 or 18 are no longer fulfilled.

(2) Without prejudice to subsection (1) of this Section, the Registrar may cancel a breeder's right granted by him, within the prescribed period provided in the Regulations, where:-

- (a) the holder of the breeder's right does not provide the Registrar with the information, documents or material deemed necessary for verifying the maintenance of the variety;
- (b) the holder of the breeder's right fails to pay such fees as may be payable to keep his right in force; or
- (c) the holder of the breeder's right does not propose, where the denomination of the variety is cancelled after the grant of the right, another suitable denomination.

(3) The breeder's right shall not be declared cancelled for reasons other than the reasons referred to in subsections (1) and (2) of this Section.

Notification on nullification and cancellation.

39.-(1) The Registrar shall notify the holder of the breeder's right and any licensee of any decision made under Section 37 or 38 of this Act and grounds for such decision.

(2) Any person receiving notice under subsection (1) of this Section, may contest the decision, by a written objection lodged to the Registrar within thirty days from the date of receipt of notification of the decision.

(3) The Registrar may hold, within a reasonable time after receipt of an objection, a hearing or may decide the matter based on written submissions of all interested parties.

(4) Where the Registrar nullifies and cancels any breeder's right under this Section, he shall publish the nullification or cancellation by a notice in the Gazette, after expiration of thirty days from the date of the decision or following a decision made under subsection (3) of this Section.

(5) The holder shall return to the Registrar any certificate of the grant of a breeder's right that has been nullified and cancelled under this Section.

Surrender of breeder's right.

40.-(1) Any holder of a breeder's right may, by written notice to the Registrar, surrender the breeder's right.

(2) The Registrar shall, within one month from the date of receiving the notice under subsection (1) of this Section, terminate the breeder's right and publish a notice in the Gazette of such termination.
